

Congressional Youth Advisory Council

Congressman Pete Olson would like to invite all high school students in the 22nd District of Texas to apply for the 2011-2012 Congressional Youth Advisory Council (CYAC). The CYAC will meet four times during the year for a roundtable discussion on current events as well as hear from elected officials and policy experts on the law making process.

These high-achieving students will be considered Congressman Olson's young ambassadors and will be asked to give their opinions on major policy issues.

To be considered, the completed application must be submitted to Congressman Olson's Sugar Land office no later than **Friday, May 20th**. A board will review the applications and determine which students will serve on this year's CYAC.
