School Report Card

January 18, 2011

Dear Parent,

Attached you will find a copy of the State of Texas 2009-10 School Report Card for Lawrence E. Elkins High School. This is a report required by the Texas Legislature and prepared by the Texas Education Agency. It is to be sent to the parent or guardian of every child enrolled in the public schools. The report provides information concerning student performance as well as information concerning expenditures, average class size, and student/teacher ratios.

The information contained in the School Report Card is required by state law and is briefly described in the enclosed "2009-10 School Report Card Definitions." The report for our school may or may not have all the information described, because the information presented depends on whether the school is an elementary, middle, or high school.

State law requires that the information be provided for the state, the district, the school, and a group of schools similar to our school. Where possible, the information must be reported by ethnicity and socio-economic status of the students and must include at least two years of results.

The School Report Cards can be found on the internet at:

Estas Calificaciones Escolares son requeridas por la Legislatura del Estado de Texas y preparadas por el departamento de educación estatal. Este reporte debe ser mandado a los padres o al guardián/mentor de cada estudiante inscrito en una escuela pública. Estas calificaciones proveen información concerniente al progreso académico de los estudiantes y también otra información sobre su escuela como gastos, tamaño promedio del salón escolar y las tasas de estudiantes por maestro.

La ley estatal requiere que la información en estas calificaciones sea diseminada. Usted encontrará una breve descripción en el adjunto "Definiciones de las Calificaciones Escolares 2009-10". La ley estatal también mandó que la información sea provista a nivel del estado, del distrito escolar, nuestra escuela, y del grupo de escuelas con similares características a la nuestra. Esta información debe ser reportada, en tanto sea posible, por grupo étnico y estatus socioeconómico de los estudiantes y debe de incluir por lo menos dos años de resultados.
