*HARN: Houston Area Recruiter's Network Mission Statement*

*"Colleges Unite, Students Succeed"*

### Who We Are:

The Houston Area Recruiter's Network is a community of professional college and university representatives from a diversity of two (2) and four (4) year academic institutions who serve the youth and their families in the Greater Houston area with integrity.

### Mission:

HARN is committed to collaborating with high school and college counselors to provide educational access and resources centered on each student and their needs for their future endeavors.
