

Get Your ProGrad Points and Sell Poinsettias!

ProGrad will sell Poinsettias through October 30th. Historically poinsettia sales has been one of the largest fundraisers for ProGrad night.

Poinsettias are \$10.00 each. Seniors earn 1,000 points to be used on ProGrad night for each poinsettia that they sell.

All orders need to be turned in by October 30th to qualify for the contest. Get in touch with everyone you know (family, friends, neighbors, co-workers, etc) this is an easy way to earn lots of points.

A drop box will be located on the table where Pro Grad shirts are sold during all lunches. Please place orders (with checks made out to Elkins ProGrad) in the box.

We will deliver the Poinsettias on December 1st, you must pick up your flowers on that day at the Elkins bus ramp. This will be the only time to receive your orders.
