

September 10, 2010

Dear Parents,

On Tuesday, September 14, 2010, President Obama will deliver a national address to students on the importance of education. Here at **Elkins High School**, we will record the address and integrate it during our social studies classes on September 15, 2010. **Elkins High School** and Fort Bend ISD are not requiring students to view the address nor will we take any grades reflective of the address. We understand that some parents may not want their child/children to view the address so we are asking that you fill out the form below and return it to your student's social studies teacher by Monday, Sept. 13. If you choose for your child not to view the address, they will go to a supervised location and utilize the time for quiet study. As always, if you have questions, please call the school.

For more information on the Presidential Address, we encourage you to visit the following website [www.ed.gov](http://www.ed.gov).

Sincerely,  
*Barbara Whitaker*
